Subject: About the Basic Fee requirement

Dear Ms. Christine,

Two weeks ago, I received a Fax message from you asking for my credit card number in order to pay the basic fee for my application. I suppose you referred to my US application corresponding to my PCT application numbered PCT/ES99/00372. If such is the case, I have to say that it has already been paid on May 2001.

On the other hand, past September of 2002, I submitted another PCT application to the OMPI (numbered PCT/ES02/0456). I have got 30 months before entering into the National Phase in the USA. Accordingly, if your Fax message refers to this second application, I think I don't have to pay the fee until March 2004.

I would be very pleased if you kindly explain me more deeply your precedent message. Thank you very much.

Best regards,

Fernando J. Marcos Alba
